## CMYK Distributors Announces Drawing for a Free SpectroPocket for Android At Graph Expo 2015

*Weymouth, MA*- September 10, 2015 – CMYK Distributors, Inc., the exclusive North American distributor of Digital Information’s InkZone ink-presetting and closed-loop technology, is pleased to announce that we will be partnering with Digital Information to offer a drawing for a free SpectroPocket for Android at Graph Expo 2015.

CMYK Distributors is the industry authority on products and services that bring automation and waste reduction technology to the pressroom. We will be demonstrating our product offerings including InkZone Ink-Presets & Closed Loop technology, the DJet Double-Sided Imposition Proofer, the all new SpectroPocket for Android, the Filter Klear Fountain Filtration System, and the Ink Can Dispenser in Booth #455.

The SpectroPocket for Android is the world’s first system for measuring discrete color patches on different substrates using commercially available spectrophotometry and displaying the recorded color values on any mobile Android device. Last week, Digital Information shipped the first Spectropockets to customers in Japan and South Africa. Be one of the first customers in North America to own the Spectropocket. Visit <http://www.digiinfo.com/spectropocket/GraphExpo2015.html> to fill out an entry form for your chance to win a free SpectroPocket.
